RE: Best Efforts

Dear Ms. Johnson:

A review of our October Monthly Report (9/01/96-9/30/96), raised questions by the Commission concerning the identification of each contributor's employment information whose yearly contribution exceeds \$200.00. Enclosed is a copy of the letter requesting employment information sent to contributors who have exceeded the \$200 limit. This letter is in addition to request that are printed on original solicitations, as well as contribution acknowledgments, and satisfies the "best efforts" provision.

Amended Monthly Reports for April through September showing updated employment information, was received by the Commission on December 2, 1996. Amended Thirtieth Day following the General Election and amended December Monthly Report, were recently filed showing current employment information to date.

Another question raised concerned Line 29. The Detailed Summary Page does not match the itemized information for line 29. The \$1,000 difference is the contribution to Hawaii Citizens' Rights PAC made 9/19/96. The contribution check was voided and never sent to the committee. The contribution should not have been reported. An amended October Monthly Report is enclosed showing the correct itemization.

If you have any questions, please call me at (703) 267-1155.

Sincerely,

MaryRose Jennison  
PVF Treasurer
